

Message from the President

2015 - Winter

Karen Dethloff

As 2015 draws to a close, I would like to thank the membership of NOSHE for the opportunity to serve as your President for the past year and a half. I would also like to thank the NOSHE Board and Committees; their careful planning and diligence has made our organization strong, responsive to its members, and recognized. NOSHE's programs have been relevant, timely and well attended.

Our organization's performance was recognized by ASHE, for achieving a Platinum Award for Chapter Recognition in 2014, ASHE's highest Chapter Level of Affiliation Award. It recognizes the outstanding achievements and contributions of affiliate chapters that partner with ASHE to help optimize the health care physical environment. NOSHE is also on track for achieving the same award in 2015.

I trust we have provided you, our members, with opportunities to learn, network and grow as professionals in your respective careers. As I leave the reins of this organization in the capable hands of 2016 President-Elect Larry Rubin, I would strongly recommend each of you to consider volunteering for either, a position on a NOSHE Committee, or the Board. You will find it highly rewarding and it will afford you an opportunity to grow your career in another dimension.

Best wishes for a prosperous and successful 2016.
